(C) Embassy Tokyo delivered text of UNSCR 1835 and reftel non-paper to MOFA Second Middle East Division Principal Deputy Director Motosada Matano on October 3. Matano stated that Japan appreciates the passage of UNSCR 1835 as it shows the unity of the international community with regard to Iran's nuclear program. He said Japan hopes Iran will take the passage of UNSCR 1835 seriously and move to comply with the requirements of the existing Security Council resolutions concerning its nuclear program, and that Japan will continue to urge it to do so.
